Thank you to everyone who helped in any way to make our Spring Picnic a great success. It is not the best of times with high gas prices, everything else going up and the dry weather. We were very blessed to do so well.

Summer has arrived. We pray that everyone will drive safely and play safely. If you have some spare time, you may wish to volunteer around the parish and the school to help out with odds and ends.

Pro-Life: Do you know someone who is considering abortion? The majority of medical studies world-wide now show that abortion increases the risk of getting breast cancer. The baby always dies, the woman runs the risk of post abortion syndrome, and now there is a statistically proven increased risk of breast cancer. There are many good reasons not to abort.
