From the Desk of Father John

Today is Pentecost Sunday, the birthday of the church. In our readings we hear that all of us have been baptized into one and the same Spirit. That same Spirit, the Advocate, was given as gift to the disciples to strengthen them to go forth in the name of the Lord "to renew the face of the earth."

There are times when only a Mother's love can understand our tears, can soothe our sadness and calm all of our fears.

There are times when only a Mother's love can share the joy we feel when something we've dreamed about, becomes real.

There are times when only a Mother's faith can help us on life's way and inspire in us the confidence we need from day to day.

For a Mother's heart and a Mother's faith and a Mother's steadfast love were fashioned by the Angels, sent from God above.

Dear Lord, we thank You for the love of the mothers You have given us, whose love is so precious that it can never be measured, whose patience seems to have no end. May we see Your loving hand behind them and guiding them. We pray for those mothers who fear they will run out of love or time or patience. We ask You to bless them with Your own special love. Amen.

Happy Mother's Day!
