

February 1, 2009: Fourth Sunday in Ordinary Time

From the Desk of Father John

This Tuesday, February 3rd, is the Feast of St. Blasé. We will bless throats at all of the Masses this weekend.

“Through the intercession of St. Blasé, bishop and martyr, may God deliver you from ailments of the throat and from every other evil ...”

These are the words of the special blessing of the throats customarily given on this day.

We know very little about St. Blasé other than that he was bishop of Sebaste, in Armenia, in the early years of the fourth century. Legend takes over from there, and tells the story of an anxious mother who hurried to Blasé with her little boy who had a fish bone lodged in his throat. The saint called for two candles, lit them, held them in the form of a cross under the child’s chin, recited prayers and blessed the boy. Immediately the bone loosened and was removed. Devotion to St. Blasé was very popular during the Middle Ages, and continues to this day.

On February 12th & 13th, we will have Fr. Denis Wilde giving us a mini mission. He will also speak at all of our weekend Masses on the 14th & 15th.

Fr. Denis Wilde is with the Priests for Life. At this time in our society, we need to reflect on the importance of human life and find out as much as we can about how we can help in this area of morality.

Please reserve these dates for our mini mission right before Lent.

Prayer for Rain: Almighty God, we are in need of rain. We realize now, looking up into the clear, blue sky, what a marvel even the least drop of rain really is. We place our trust in You. Look on our dry hills and fields, dear God, and bless them with the living blessing of soft rain. Then the land will rejoice, and the rivers will sing Your praises, and the hearts of men will be made glad. Amen.

4th Sunday in Ordinary Time – Michael Kearney was homeschooled by his parents. At one point, he was diagnosed with Attention Deficit Disorder, though his parents declined to prescribe any medication for it. Michael simply went on to graduate from high school at age six, from junior college at age eight, and he received his Bachelor's degree from the University of South Alabama at age ten. By the time Michael Kearney was seventeen, he had completed two separate masters' degrees and was teaching classes at Vanderbilt University. Imagine that, such a young person as a teacher!

Jesus has just begun His ministry. So far as we can tell, He only has four of the disciples, James, John, Andrew and Simon Peter. On the Sabbath, Jesus calmly walks into the temple, sits down and begins teaching.

Immediately, you can sense the elders' anger and ridicule over this "youngster" teaching among them. Impossible, they say. What could He know about the laws? Only when Jesus removes an unclean spirit from another man do the others begin to take serious note of Him, and "His fame spread everywhere throughout the whole region of Galilee."

It is said that our lives should be spent in continuous pursuit of knowledge, that we never stop learning. Jesus Christ's mission on earth was one of a teacher, and those who follow Him will always be learning. The Catechism of the Catholic Church tells us that Jesus is like a wise teacher, who leads us progressively towards an intimate relationship with God through prayer (CCC 2607). Like-

wise, just as we are disciples of Christ, our mission is to teach others to grow in faith, hope and charity along with us. Today, pray for an open mind and heart to the teachings of Jesus Christ. ©2008 Liturgical Publications Inc
