

February 21, 2010: First Sunday of Lent

The devil said to him, "All this will be yours, if you worship me."
Jesus said to him in reply, "It is written:
You shall worship the Lord, your God,
and him alone shall you serve."
— Lk 4:6, 7-8
Excerpts from the Lectionary for Mass 02/01, 1998, 1970 CCD.

From the Desk of Father John

Life goes along and then, all of a sudden, the bottom falls out. In these times, it's easy to feel despair. We want to crawl into bed and disappear.

Despair is a devastating emotion that drains our energy. As hard as we may try to avoid it, it's important to know what to do if we experience it. Surprisingly, the answer is simple: Just keep moving forward!

We can learn a lesson from Jesus' desert duel with the devil: The worst thing we can do is focus on the anguish that we're experiencing. Jesus' anguish came in three strong waves of temptations, but Jesus kept moving forward. We need to do the same.

Edmund Burke, a British statesman and philosopher said, "Never despair; but if you do, work on in despair." This advice is about as simple as it gets. Don't stop pursuing your dreams and goals. Don't forget the reason why you started your journey, whatever it may be. Get out of bed, and start moving!

If you've had a tragic event in your life, what thoughts could bring a measure of relief? What do you have to be grateful for? What have you accomplished in your life? Write it down.

If you've lost a job, brainstorm new ways to earn the revenue you need. What are you naturally good at? What do you do in your spare time that you enjoy? Keep your mind open and allow the ideas to flow.

Dear Jesus, when I'm faced with a hopeless situation, help me feel better and move forward. Amen.

Amor Meus Lenten Vespers, Incarnate Word Convent, Victoria, 5:00 - 6:00 pm, on Sundays of Lent beginning Feb. 21. Evening prayer (or Vespers) is an ancient form that predates the Church. It is a gift from our Jewish brothers & sisters & finds its base in the prayers of the Psalms. It calls us to give praise & thanksgiving to our loving God, & can prepare us for the great feast of Easter.

Lenten Reflection: In Luke's story of the temptations of Jesus we see we can be tempted by wealth, power, and esteem just as He was. Lent calls us to focus on our faith life by living it in deeper ways. As we begin our journey with Catholic Relief Services' Operation Rice Bowl, let us pray and sacrifice so that through our faith life we can make a difference in the lives of our brothers and sisters in need.

1st Sunday of Lent

So what's your temptation? Chocolate ice cream? Gossip? Alcohol? Petty thievery? Pornography? Or just plain ignoring God?

Gratefully, none of us has to stand up in front of the whole assembly and confess the specifics of our sins (just to be clear, chocolate ice cream isn't one!). We simply admit to our sinfulness before we enter into the celebration of the Eucharist, leaving the specific confession of sin to the privacy of the sacrament of penance when we speak individually with a priest.

Sunday's Gospel directs our attention that Jesus truly was a human person just like all of us. He was subjected to temptation, just like we are. In our desire to conform our lives to be more like Christ, we seek to avoid temptation, just like He did.

For those of us who are already baptized, this Lenten season is one of renewal. We are praying more, fasting, and helping others so as to recover our baptismal innocence. These forty days are meant to get us ready for the renewal of our baptismal promises at Easter. In those promises we rejected Satan, his works, and his empty promises. We rejected sin so as to live in the freedom of God. These forty days will test our fortitude, but we don't go into them alone. We are surrounded by an entire community of faith, all of us working together to become even better Christians. Sometime during this season, we'll each confess our sins with a priest. But as we begin Lent, it might not hurt to tell one other person what you're striving for during this season. Ask them to pray for you, and to help you by being ready to ask how your Lent is going on a weekly basis from now until Easter.

Catholic Relief Services Operation Rice Bowl

Operation Rice Bowl began in 1975 in the Diocese of Allentown, PA as a response to the drought in the African Sahel. For 35 years, Operation Rice Bowl has called

participants to pray with their families and faith communities; fast in solidarity with those who hunger; learn about our global community and the challenges of poverty around the world; and give sacrificial contributions to support those in need.

Operation Rice Bowl offers Catholics in the United States a way to connect with our brothers and sisters around the world. We believe that through solidarity the world can be transformed.

Over the past 35 years, \$191 million has been collected through Operation Rice Bowl to support CRS' development projects that improve people's ability to access food in communities around the world and in the United States. Each Lent, faith communities across the United States participate in Operation Rice Bowl as a way to foster solidarity with the poor around the world.

Nearly 14,000 parishes, schools and faith communities participated in Operation Rice Bowl 2009. Approximately \$8 million was contributed through Operation Rice Bowl.

Seventy-five percent of Operation Rice Bowl proceeds come to Catholic Relief Services to help fund development projects designed to increase food security in communities in over 40 countries around the world. No Operation Rice Bowl funds are used for emergency programming.

CRS development projects include agriculture projects helping farmers improve crop yields and increase food security in communities; water projects bringing clean water to communities; microfinance projects encouraging the growth of small businesses; mother and child health projects providing basic health and nutrition services; education projects providing resources and training; HIV and AIDS projects supporting the local Catholic Church in communities around the world in addressing the many needs of people affected by this disease.

All CRS development projects help strengthen communities, foster self-reliance and respect the human dignity of its participants.

Twenty-five percent of Operation Rice Bowl contributions remain in dioceses in the United States to help fund local hunger and poverty alleviation projects. Catholic Relief Services believes that the twenty-five percent of Operation Rice Bowl contributions remaining in the dioceses affirms the importance of our global responsibility as Christians to assist those in need both around the corner and around the world. The contributions remaining in dioceses help participants understand the plight of the poor around the world through the experience of the poor in their own communities.

Operation Rice Bowl is not just about putting money in a Rice Bowl during Lent. It combines four equally important components: praying, fasting, learning and giving. The alms are collected in the home during Lent as one part of the program. Alms are a part of our Lenten sacrifice that includes praying and fasting. With the help of materials such as the Lenten Calendar, participants have a daily guide for prayer and fasting in solidarity with the poor. In addition to giving alms, participants also have the opportunity to learn more about the developing world and to deepen their Lenten experience with spiritual reflection.

Operation Rice Bowl Prayer. God of all people, hear us as we join in prayer with our brothers and sisters in need. Bless our Lenten fasting, learning, and giving. May your generous love for your people be our guide as we reach out to all who live with hunger and poverty. Amen.
