

January 17 2010: Second Sunday in Ordinary Time

“Everyone serves good wine first, and then when people have drunk freely, an inferior one; but you have kept the good wine until now.” Jesus did this as the beginning of his signs at Cana in Galilee and so revealed his glory, and his disciples began to believe in him. — Jn 2:10-11

2nd Sunday in Ordinary Time

It's the miracle that always captures the attention! Sight restored. Lambs healed. Hearing brought back. The dead raised. Water changed into wine. When you think about it, the first four are often routine today. Granted, the miracle doesn't happen every time. But many have their sight restored through cataract surgery. Broken bones that would have led to incapacitation are mended. Cochlear implants help some who did not hear. And even some people who were in cardiac arrest have been brought back. These medical miracles happen so regularly that we don't even advert to them as "miracles" anymore. They are "procedures." It's when things don't work that we get disappointed - and maybe even pray for a miracle.

Of course, we still haven't been able to crack that water-into-wine thing. It is still a bona fide miracle. Relying on the miraculous misses the point that John is trying to make in today's Gospel. The "sign" is not about how much wine we can get out of Jesus, but rather that he was revealing his glory, leading his disciples to belief. The signs in John's Gospel are again and again about faith, about coming to believe in Jesus.

Praying for the miraculous can lead to an increase of faith. But we can't let the miracle - or lack thereof - get in the way of faith. Instead, we can let our faith uncover the miraculous that already takes place each day: the healing that goes on in hospitals; the amazing production of food that feeds so many; the growing ability of humankind to understand this created world; the wonder of a child who grows from just a few cells to an adult in the span of two decades. It's these miracles that can capture our attention and deepen our faith!

URGENT: USCCB NATIONWIDE BULLETIN INSERT

Stop Abortion Funding in Health Care Reform!

Protect Conscience

Ensure Affordable Health Coverage

Allow Immigrants to Purchase Private Health Insurance

As long-time advocates of health care reform, the U.S. Catholic bishops continue to make the moral case that genuine health care reform must protect the life, dignity, consciences and health of all, especially the poor and vulnerable. Health care reform should not advance a pro-abortion agenda in our country.

- On November 7, the U.S. House of Representatives passed major health care reform that reaffirms the essential, longstanding and widely supported policy against using federal funds for elective abortions and includes positive measures on affordability and immigrants.
- On December 24, the U.S. Senate rejected this policy and passed health care reform that requires federal funds to help subsidize and promote health plans that cover elective abortions. All purchasers of such plans will be required to pay for other people's abortions through a separate payment solely to pay for abortion.
- Outside the abortion context, neither bill has adequate conscience protection for health care providers, plans or employers.
- These two bills must now be combined into one bill that both the House and Senate will vote on in final form. Provisions against abortion funding and in favor of conscience protection, affordability, and immigrants' access to health care must be part of a fair and just health care reform bill, or the final bill must be opposed.

ACTION: Contact your Representative and Senators today by e-mail, phone or FAX.

- **To send a pre-written, instant e-mail to Congress go to www.usccb.org/action.**
- Call the U.S. Capitol switchboard at: 202-224-3121, or call your Members' local offices. Contact info can be found on Members' web sites at www.house.gov & www.senate.gov.

MESSAGE—HOUSE:

"I am pleased that the House health care bill maintains the longstanding policy against federal funding of abortion. I urge you to work to uphold essential provisions against abortion funding, to include full conscience protection and to assure that health care is accessible and affordable for all. Until and unless these criteria are met, I urge you to oppose the final bill."

MESSAGE—SENATE:

"I am deeply disappointed that the Senate health care bill fails to maintain the longstanding policy against federal funding of abortion and does not include adequate protection for conscience. I urge you to support essential provisions against abortion funding, similar to those in the House bill. Include full conscience protection and assure that health care is accessible and affordable for all. Until and unless these criteria are met, I urge you to oppose the final bill."

WHEN: Votes in the House and Senate on the final bill are expected in January.

Act today! Thank You!
