

July 13, 2014: Fifteenth Sunday in Ordinary Time

"The seed sown among thorns is the one who hears the word, but then worldly anxiety and the lure of riches choke the word and it bears no fruit. But the seed sown on rich soil is the one who hears the word and understands it, who indeed bears fruit and yields a hundred or sixty or thirtyfold."

— Mt 13:22-23

The Million Rosaries Report – It was very impressive. Our goal this year was 500 rosaries prayed for the unborn, but we actually had a total of 759 rosaries prayed! Deacon Linard Harper asked his priest friend in another country for prayers and they prayed 237 rosaries. Our students and teachers at Sacred Heart School prayed 330. Awesome! Since this movement was organized by the St. Michael the Archangel Organization four years ago, our parish prayed a combined total of 2,049 rosaries – 332 in 2011, 486 in 2012, 472 in 2013 and 759 in 2014. We thank Deacon Joey Targac and Deacon Linard Harper for promoting this program.

YOUTH NEWS: Our students recently took a trip to Louisiana for a National Youth Conference and had an experience that made a great impact on their lives. Apart from the awesome opportunity to pray and partake of the sacraments daily (by itself awesome) they also got to learn from some great speakers. One of whom was a nationally known priest, Father Leo Pattalinghug, who shared some outstanding insights into the Christian life. He also wowed them with ninja skills, singing, and breakdancing. We give many thanks to those who took part in the event as well as those who donated and prayed for us. Our next year of events is just around the corner. We will keep in touch as we prepare for another great year.

15th Sunday in Ordinary Time – "Hear then the parable of the sower." With His analogy of the sower and the seed, Jesus gives us four images to help us gauge the depth of our spiritual maturity. What kind of "soil" does our faith exist in? Are we fruitful Christians? Does our seed yield as much as it could?

The first image is of the seed that fell on the path. This describes those who hear about Christianity "without understanding it." Nothing can grow, nothing can blossom at this level. We should ask ourselves if we have taken the time to be sure we understand the faith we practice. Are we stuck at a superficial level, allowing stereotypes, popular opinion, or media distortions to "steal away" the richness of the Catholic faith?

Perhaps we have been properly educated in the teachings of the faith, but our commitment has been fickle. Are we the seed on the rocky ground that "has no root and lasts only for a time"? Have we experienced difficulties in the practice of our faith that have led us to become indifferent? Have we found it just too troublesome to bring our faith into our everyday lives?

Or have we heard the word, but allowed it to be choked by "worldly anxiety and the lure of riches"? Do we appreciate Christianity but fail to make the sacrifices that it requires? Are we more interested in a comfortable life than anything else?

Many of us have sampled these stages at different times. But ultimately, our goal as Christians is to be "the seed sown on rich soil." We are called to be open to hearing the word, to seek to understand it, and to allow it to take firm root in our hearts. When we do this, the seed of our own faith can produce a rich harvest for the world.

What kind of "soil"
does *our* faith exist in?
