### **Thirteenth Sunday in Ordinary Time**

Today's Gospel offers a rare framework — a story in a story. Most of the healing miracles are standalone encounters. One person approaches Jesus, demonstrates faith, and is healed. The evangelist tells the next story. This Gospel, however, is different. Jesus is on his way to heal one person, a young girl of twelve, and is interrupted on his journey by “a woman afflicted with hemorrhages.” She bravely approaches Jesus in a crowd, despite being ritually unclean from her bleeding, and stretches out to touch his cloak. She is healed! Jesus meets her eye, confirms her faith, and continues on to resurrect the young girl.

Reading this passage, it might be easier to identify with one story — the long-suffering woman or the young, innocent girl — and to move past the other. But here they sit side by side. The girl is twelve. The woman has been suffering for twelve years. For the Gospel writers, number parallels have deep symbolic meaning.

Between the woman and the young girl, we are not one or the other. We are both. None of us had a perfect childhood, perfect families, or a perfect peer group. As we endure pain, disappointment, or unmet expectations, it can feel like a part of our childhood hopes have died. Our coping mechanisms, social adaptations, and hidden secrets can make us the “walking wounded” in some respects. Jesus wants to do more than simply staunch the bleeding. His healing hand makes dead things come alive. He awakens the dreams that are asleep. This process requires prayer, conversations with trusted community and spiritual mentors, and critical looks at difficult areas of our life. However, we can believe the words of our Lord. If we approach Jesus in faith, believing that he wants to heal and save, we, too, will hear his calming words spoken over the hurts of our life. “I say to you, arise!” “Go in peace.”

### **ST. MARIA GORETTI**

Have you heard of the patron saint of purity? Born to peasant parents in southern Italy, St. Maria Goretti was a devout girl whose life was marked by difficulty. Her father died when she was nine, leaving her single mother with six mouths to feed. Two neighbors helped on the family farm, including a young man named Alessandro. He began making crude comments towards Maria. She repeatedly denied him. After several years, Alessandro attacked Maria and stabbed her. Maria died from the wounds' infections, but her last words were “I forgive Alessandro Serenelli, and I want him with me in heaven forever.” While he was in prison, Maria appeared to Alessandro with a bouquet of roses, one for each wound he inflicted. In a true miracle of mercy, Alessandro experienced repentance, became a Franciscan brother after his release, and was later present at Maria's canonization. St. Maria Goretti, pray for us!
