## From the Desk of Msgr. John

The following are three prayers you may want to pray on a regular basis in your life at this time:

### 1. For the Sick:

Almighty and Everlasting Father, you are the salvation of all believers. We entreat you to hear our prayer for those who are sick. May they in restored health return you thanks once again in the company of the faithful. We ask this in Christ's name. Amen.

### 2. For Patience:

Heavenly Father, you humbled the pride of our old enemy, the devil, by the patience of your only Son. We beg you to grant us a lively remembrance of all He suffered for us. By His example may we be enabled to bear patiently the trials we suffer. In His name we implore you. Amen.

### 3. For Peace:

O God, you are the origin of all holy desires, good counsel, and just works. Grant us, please, that peace which the world cannot give. Then, with hearts devoted to your commandments and all fear of enemies removed, may we serve you in tranquil times. This we ask in Christ's name. Amen.

## **WHY DO WE DO THAT? - CATHOLIC LIFE EXPLAINED**

### **Question:**

Why is it so important that we register in a parish? Isn't it good enough that we go to Mass?

### **Answer:**

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.

Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish.

## **SIXTH SUNDAY IN ORDINARY TIME**

What does it mean to be salt and light? If we listen carefully to Jesus' words, we gain some direction. To be salt means to bring taste, zest, and joy to life. We are asked to liven things up a bit by allowing the joy of our faith to spill over into the lives of others. Only a sincere and deep relationship with God can freshen up humanity and set it on proper course. To be light means that our faith must translate into action so that we can be Christ for others and extend the same arm of mercy and compassion that Christ did. Our acts of piety, then, cannot be directed solely at ourselves. Prayer is never about self-benefit but must always be directed toward union with God, deepening our relationships with one another and learning how to be effective stewards of the beautiful universe God has entrusted to our care.

The Master gives us wise direction in terms of how we can best become the salt and light he desires. Listen carefully to the Beatitudes. Think about the oppression and alienation that exists in our world, the violence and prejudice, the anger and the hatred, the fear and the shame. All of these things require action. The poor need food, housing, and clothes. Hatred must be replaced by love. Retaliation and violence by forgiveness. Our thoughts and speech can become more like Christ. We can change and continue to change. Blessed John Henry Cardinal Newman said, "To live is to change and to be perfect is to have changed often."

But it doesn't end with just offering the bandages needed to heal wounds. It must go deeper. We must ask ourselves what has happened that we have found ourselves in this place with these wounds and divisions. What are their causes? Together we must address these systemic problems, politically and spiritually, and face the truth. Only then will we truly be salt and light. But then again, we may not like what the light shows us.
