The Assumption of the Blessed Virgin Mary

They are courageous, wise women who ground us, focus us, and inspire us. They are the good mothers who walk with us and light our way. They teach us life lessons and help us heal and navigate through challenges and difficulties. We need people to point the way. Sometimes, these wise ladies are not our biological mothers but women in our lives, who through their strong and faithful presence, anchor us and remind us that we are loved. We need these women. Human beings do their best when they have cheerleaders in their lives. They show us that even when facing despair there is always a brighter tomorrow.

Jesus needed his mother. She had to be that faithful anchor, that guiding presence, in his life. Jesus needed to be affirmed and encouraged just like any other human being and Mary had to be there, right by his side, doing precisely that. Even when her heart was pierced as he was nailed to a tree, she did not give up hope. Most certainly, she continued to wait, watch, hope, and love until he took his final breath. That's what mothers do. Even when their heart breaks, they persevere.

Today, our Blessed Mother is our cheerleader once again. Taken up to heaven in body and soul, she points to and directs us toward our final destiny. Life eternal waits! Any disappointment, fear, or anxiety can be set aside as she gently reassures us of God's love and promise. Always a mother filled with grace and hope, she calls us to reaffirm our faith in God and in the gifts we have each been given. We can persevere and do what we need to do to live life well, with faith, hope, and love as our guiding lights. Knowing who we are and who we will one day become helps us to better chart the course and direction of our earthly lives. Looking to the example of our Blessed Mother, we receive the assurance we need.

WHY DO WE DO THAT? - CATHOLIC LIFE EXPLAINED

Question: What are we celebrating on the feast of the Assumption of Mary?

Answer:

The Assumption, along with the Immaculate Conception, are two Marian dogmas that have been infallibly defined by the church. The Assumption proclaims the reality that Mary was taken up body and soul into heaven. This was God's special gift to her in response to her total giving of self to God's plan and will.

The church believes that Mary was immaculately conceived, that is, conceived without original sin. This led the church to believe that she did not suffer one of the key consequences of original sin, death and corruption. The Orthodox Church celebrates the Dormition of Mary, the belief that Mary did not die but rather fell asleep and was thus assumed into heaven.

What significance does this feast have for our lives as Christians today? This feast is above all an assurance and hope of our continued life with God. Modeling ourselves on Jesus and living the Christian life molded by Jesus' values is certainly the sure path to God. As a result, God will not leave us orphaned or alone to suffer the emptiness of death. Rather, we believe that death is merely a transformation of our present state into an even more glorious and eternal relationship with God.

This is the hope and assurance that Mary's assumption celebrates. It is a celebration of our assumption as well. She is one of us, providing a model of what God has in store for all who love and give of themselves to God.
