YEAR OF THE FAMILY

Eat. Remember to pray before and after your meal!

Play. Grandparents: write down an important faith memory to share.

The Patriotic Rosary

Join us on ZOOM every Thursday night at 6:00 p.m. to pray for Our Country. If you are interested, please call **Ed Scherer**, at 361-798-3414, or 210-897-6387.

From the Desk of Msgr. John

There will be a **SPECIAL HEALING MISSION**, conducted by Paul Rymniak, on Monday, Tuesday and Wednesday, July 12th, 13th and 14th, 2021. All three evenings will begin at 7:00 p.m.

The thrust of all of these evenings will be **FORGIVENESS** and **HEALING**. There will be **PRIESTS** available for **CONFESSION** also ... Healing starts in the Confessional with the Sacrament of Reconciliation; you might want to consider this option during this time.

Healing is **NOT** just for the Physically Impaired. Mental and Emotional stresses and strains can take a heavier toll on our lives, even more than the worst of diseases. So, if you or your family are in need of **HEALING** in these areas, come and experience the Lord, and what He can do for you. Come and enjoy Jesus by Worshiping Him. Come and see what Our Lord has for you. Come and be healed.

Paul Rymniak sees it as an honor to be at our Parish to conduct his **HEALING MISSION**, which also includes the **ROSARY** and the **STATIONS OF THE CROSS**. Paul will offer his healing efforts to all who seek it. All Christians are welcome to attend, whether they are Catholic or not.

According to Paul, who credits **GOD** and **NOT HIMSELF** for his successes, he possesses several hundred testimonies from doctors and lay people which confirm healings **GOD** has used him to perform.

He makes **NO** claim that all who come to him are cured and he theorizes that **ANGER** within the ill person may prevent healing. **GOD'S** healing touch is available to everyone. Sometimes it takes the form of physical cures, and sometimes it takes the form of suffering and even **DEATH**. Whatever **GOD** chooses it is for the greater good of all

Paul's only claim is that he is just an "**ORDINARY**" man, many may disagree with his self-assessment, for he is known as a healer throughout the United States, Canada, Puerto Rico, and Mexico. He sees Christ working through him and says there is scriptural basis for his work, Matthew 18:19..." when two people come before My Father, asking My Father for anything, My Father will give it to them." This is the basis for his ministry.

Saints Joachim and Anne: Grandparents of Jesus

Let us look to the example of Mary's parents and Jesus' grandparents, Saints Joachim and Anne as we prepare to celebrate their feast day on July 26th. Grandparents play a vital role in the life of the family, including cultivating the love of God in children and grandchildren. We pray in thanksgiving for all grandparents this month.

PRAY

Blessing of Grandparents:

Grandparents are cherished members of our family. They bring gifts of wisdom, experience, and love and share with us their life of faith. We thank God for their example and ask that He bless them with happiness and good health. Lord God almighty, bless our grandparents with long life, happiness, and health. May they remain constant in your love and be living signs of your presence to their children and grandchildren. We ask this through Christ our Lord. Amen.

Call your grandparents and pray a decade of the rosary together.

Take Holy Water to the gravesite of grandparents or great-grandparents and pray for the souls of the faithfully departed.

PLAY

Write a card and insert a picture, either hand-drawn or a printed picture, and mail it to your grandparents.

Grandparents: write down an important faith memory to share with your children and grandchildren. Do you remember your First Communion? What was the most memorable Mass you have ever attended?

Call your local nursing home to see if visitors are allowed. If so, consider going for a visit! If not, ask if there are any needs for residents that you can help to fill.

EAT

Remember to pray BEFORE and AFTER each meal! Ask each person at the table the best part of their day.

Consider inviting the grandparents over for a special meal. Have the children of the family serve the adults.

Ask each person at the table the highlight of their day.

Plan to eat at least one meal a week with no distractions.

15th Sunday in Ordinary Time

Maybe the work is best left to the professionals. That's how many people view the preaching of the Gospel. That's the stuff priests, religious, deacons, lay ministers, and other professional Church people do. It has little to do with me. Well, that's not really true. The fact of the matter is that preaching the Gospel has everything to do with you, with all of us who are baptized members of the Body of Christ. Nobody gets off the hook from that job. The question is, however, how do we do it? Well, there's a safe way, which many choose, to preach the Gospel — and the risky way. The safe way pretty much keeps the Gospel in church and around like-minded people. I say my prayers, go to Mass, contribute to the food pantry, tithe, and attend Bible Study. That pretty much covers the bases, right? Wrong.

The risky way is the more challenging way and for many, the “road less traveled.” Imagine those first disciples going out and into people's homes. They must have had some amazing conversations with folks about God's kingdom, changing their hearts, forgiving sins, and looking at the world differently. They must have met people who were hurting, exiled from their communities, neglected, lost, or living self-insulated lives in a society that served the rich and neglected the poor. While there were many who welcomed what they had to say and the conversations they had, there were others who no doubt rejected them and literally tossed them out on their ears! The Gospel, while being a message of joy and hope, is not always received well by those who are very comfortable keeping things as they are.

The risky way involves example and conversation. We have to take the Gospel from church and carry it with us wherever we go. What kinds of conversations do we have with others? We interact with those closest to us, in our work, social circles, institutions, corporations, in politics, and beyond. Our conversations with others reveal a great deal about how we see things and what we consider important. If we are really interested in seeing God's vision for the world succeed, then we will talk about it. It will become a part of our everyday conversation and find its way into our interactions with others. How will we preserve the dignity of human life and encourage others to have a relationship with God? We must be the example, live value centered, virtuous lives, stand against injustice, combating racism, and learn ways to resolve conflicts without violence.

If we are going to succeed going forward, we have to find a way to bring our prayer centered lives into the marketplace. Our conversations have to change. Not everyone wants to hear what the Gospel has to say. That's a risk God asks us to take.

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

God calls us to bring His Word to all corners of the earth. What does that mean for you and me? We are just simple and humble folks trying to find our way through the Gospel and our world. After all, we are not professional preachers but gentle servants. Jesus summons us to take his message on the road and bring it from the pew to the pavement. We cannot keep the joy of the Gospel to ourselves but must bring it into every aspect of our lives: our families, our schools, our work, our corporations, our politics, our social circles, and our philosophies. We cannot just accept the wisdom of the world as true and conduct our lives as if the Good News is a separate matter. They are one. Jesus never asked his friends to go and construct buildings where people could come to hear the truth. He asked them to go to their homes and meet them one on one, face to face. When the rubber meets the road and the message is challenging, rejection is quite possible. That's the litmus test for whether we're really doing what we have been asked.
