From the Desk of Msgr. John

Thank you to all who helped make the first Post-Covid Sacred Heart Spring Picnic such a success. It was great to see so many people come out.

I know it wasn't easy to get everything together after going without two picnics. It took a lot of people working and attending to make it such a great day. Thank you to the youngest, the more mature and the oldest who pitched in. A special Thank You to all who worked extra hard and spent many hours before, during and after the picnic.

Let us help our sister parishes, as their picnics come up—St. Mary's – June 13th; St. John the Baptist – July 4th; and Ascension of Our Lord, Moravia – July 18th.

This weekend we celebrate the Feast of Corpus Christi—the Body and Blood of Christ. Let us always appreciate and have a great love for Jesus in the Eucharist.

From Father Scott

Dear Parishioners of Sacred Heart, St. Mary, Ascension, and St. John,

Thank you for all the gifts and well wishes as I depart this wonderful and faith-filled community. I greatly enjoyed my brief two-year stint with all of you. While it was a short time, we certainly experienced a lot together: from lockdowns and Covid, to snow and our brief associate pastor Padre Frio, to flooding, and tornadoes. There were even thrilling sports moments, including the Brahmas and Indians making the state game in football, plus having great seasons in their other sports. My time with you has given me memories for a lifetime! Even though our paths are going in different directions, we will always remain united through our faith and, most especially, through the Eucharist. Every time we gather around the altar for Mass, wherever we are in the world, we are together. Be assured that I lift all of you up in prayer every time at the eucharistic celebration. May God continue to bless each and every one of you. Most Sacred Heart of Jesus, have mercy on us! Immaculate Heart of Mary, pray for us!

INSPIRATION FOR THE WEEK

As we gather today to reaffirm our faith in the Real Presence of Christ in the Eucharist, we are reminded that **we** are also the Body of Christ. The mission of the Gospel calls us to be Christ for others. There is so much brokenness and pain in our world. Many people are lost and feeling lonely, marginalized and oppressed, victimized and abused. Every time we receive the Body (and Blood) of Christ, we are asked to become what we eat. Are we willing to step aside from our preoccupations and concerns so that we can be Christ for others? The power and presence of Christ in the Eucharist becomes present in us. In receiving this transforming presence of Christ, we can truly effect change in the lives of those we meet. We can show them God's unconditional, ever-present love and the beauty that can come from loving others. We are given the grace to become temples of justice and peace, carrying God's sacred Presence within us wherever we go.

**GOSPEL MEDITATION - ENCOURAGE
DEEPER UNDERSTANDING OF SCRIPTURE
The Most Holy Body and Blood of Christ**

As our world faces so much turmoil and change, it is now more important than ever to remember who God is, who we are and where we are going. It is easy to get distracted and lose focus, especially when we are being pulled in so many directions. We can not only lose sight of God but one another. Maintaining our well developed and mature relationships with God and one another is essential to continuing to live, healthy, happy, and focused lives. In a message to young people, Pope Benedict XVI said, “the happiness you are seeking, the happiness you have a right to enjoy has a name and a face: it is Jesus of Nazareth, hidden in the Eucharist.” What is true for those who are younger is even truer for those who are older. Regardless of how the particulars of life change over time, human beings are still hard-wired to seek the fullness of life and happiness. How we embark on this journey and what we choose along the way will indicate whether we meet success.

There is so much brokenness and pain in our world. Many people are lost, feeling lonely, anxious, marginalized, victimized, isolated, oppressed, and abused. Every time we receive the Body of Christ, we have an opportunity to become what we eat. The power and presence of Christ in the Eucharist becomes present in us and effects change in ourselves and in the lives of those we meet. We are given the grace to become temples of justice and peace, carrying God’s sacred Presence within us wherever we go. Our faith community is ignited with the fire of God’s love and stands out as a beacon of hope in a world that is lost. This is the only way we can discover peace-filled resolutions to violence and create innovative solutions to what is fueling its need in the first place. True happiness, for the young and old alike, becomes an obtainable goal.

St. John Maria Vianney says it so well. “There is nothing so great as the Eucharist. If God had something more precious, he would have given it to us.” Only the Eucharist has the ability to connect, sustain, strengthen, and properly orient us, not only on the road of this life but the road to life eternal. Knowing this, when life gets challenging, unsettling, and difficult, we can rely on and cling to this gift we have in the Real Presence of Christ. This actual encounter with God celebrates God’s unconditional love for us and grounds us to the truth of who we are in a way nothing else is able to do. Because through the Eucharist we really do become the Body of Christ, we are also bonded together in a most perfect way to one another as that Body. Nourished, united, and strengthened by the Eucharist, let us individually and collectively, bring this wonderful gift to all we meet, especially the poor with whom we have a special connection.

**EVERYDAY STEWARDSHIP - RECOGNIZE
GOD IN YOUR ORDINARY MOMENTS
We Can Prepare the Upper Room**

We all know that person, don’t we? Hey, maybe we’ve even been that person.

“I have a great relationship with God, but I don’t go to church regularly. God and I are on good terms. I can talk to Him just fine on my own.”

There isn’t anything false in these statements. It’s important to have an intimate, even conversational prayer relationship with God. But the problem with this attitude is that it implies that churches don’t matter. Community worship doesn’t matter. Today, we are reminded exactly why that is so untrue. Why we need our parishes, our priests, and each other.

The Body and Blood of Christ — that’s what it’s all about. If it’s not about that, it’s not about anything. If we don’t have the Eucharist, we’re just like the ancient priests, making sacrifices that don’t have the power to redeem anybody.

Where do we receive the Body and Blood of Christ? For most of us, it’s in our parishes. The altar of sacrifice is also the table we gather in front of, as a family, to become one with Christ in the truest and realest way possible, recreating the scene in the Upper Room over and over again every time Mass is celebrated.

The disciples were commissioned by Christ to prepare the Upper Room for the Last Supper. How can we take up that work ourselves? How can we strengthen the bonds in our spiritual family? How can we serve our parish, always remembering that the table is not meant to be set only for two?
