All of us have been baptized into one and the same Spirit, who bears witness that we are children of God (2b) that same Spirit, the Advocate, was given as gift to the disciples (1) to teach them everything and to strengthen them to go forth in the name of the Lord, "to renew the face of the earth."

PRO-LIFE CORNER—A Tribute to Mothers on Mother's Day

Motherhood is a rewarding and often difficult job. A mother is a child's first teacher and affects a child's life like few others can. Loving and selfless mothers can inspire their children to love themselves and others, work hard, make healthy choices, serve causes greater than self, and achieve their dreams. Mothers who protect, teach, and nurture their children with all their hearts strengthen their families and help build a better future for our country.

Yet, mothers and expectant mothers today face greater challenges than ever before. Our culture of death often tells young women that precious life is cheap and that they can engage in sex without consequences. Let us pray this Mother's Day that the younger generation will fully understand the gift of LIFE, the blessing of children and the honor of motherhood.

The Ascension of the Lord

"They did him homage and then returned to Jerusalem with great joy." Jesus had just left the disciples. In a dramatic and supernatural moment, he had bid them farewell and then "was taken up to heaven." One might think this departure would have left the disciples feeling very melancholy, but apparently it was not so. They were full of joy as they went back to the city where Jesus had told them to stay, "until you are clothed with power from on high."

This, of course, is a reference to the coming of the Holy Spirit that would happen soon enough at Pentecost. But the disciples did not know the details. They only knew that Jesus was promising them the "Advocate" and some amazing power from heaven, and sending them off with a great mission to preach "repentance, for the forgiveness of sins... to all the nations." And this filled them with joy, even while they waited.

What we often need to remind ourselves is that after the Ascension, the disciples were in a very similar position to us. They were no longer in the physical presence of Jesus. They no longer walked with him, watched him, or heard his voice. Now, carrying on the work of the Gospel was up to them. And so too, now it is up to us. The mission of preaching the good news to all the nations is our mission. And, thankfully, the powerful "clothing" from on high is ours as well.

So, like the disciples we have cause for rejoicing. Jesus reigns in heaven. His Spirit has come upon us. And we are entrusted with the most noble and rewarding task of all, to share our faith with others and bring them to experience the joys of belonging to the kingdom of God.
