January 28, Fourth Sunday in Ordinary Time

Readings: Dt. 18:15-20; Ps 9:1-2, 6-9; 1 Cor 7:32-35; Mk 1:21-28

As Moses challenged the Israelites to listen to God's voice, so we are called to hear the voice of Jesus and live out his teachings by what we say and do, whatever our vocation in life may be.

February 4, Fifth Sunday in Ordinary Time

Readings: Jb 7:1-4, 6-7; Ps 147:1-6, 11 Cor 9:16-19, 22-23, Mk 1:29-39

Job's cry of hopelessness stands in marked contrast to the hope of those who put their trust in Jesus, who "heals the broken hearted and binds up their wounds." Such are the blessings of the good news.

February 11, Sixth Sunday in Ordinary Time

Readings: Lv 13:1-2, 44-46; Ps 32:1-2, 5, 11; 1 Cor 10:31-11:1; Mk 1:40-45

Jesus manifests the powerful, healing love of God by curing the leper who was forced to live under severe restrictions by Jewish legislation. He turned to Jesus in his need and was filled with joy. We are called to imitate the healing and compassionate Jesus.

ANNOUNCEMENTS

From the Desk of Msgr. John

HEALING MISSION—Paul Rymniak is an ordinary man or so he claims. Multitudes will disagree with his self assessment, for he is known throughout the United States, Canada, Mexico and Puerto Rico. He is not a medical doctor or ordained minister or priest. He says he sees Christ working through him and he says that there is scriptural basis for his work. (Matt. 18-19)

According to Paul who credits GOD and NOT HIMSELF for his successes, he possesses several hundred testimonies from many medical doctors and lay people which confirm the Healings.

He makes NO claims that all who come will be healed, and he theorizes that ANGER within the ill person may prevent healing. GOD'S healing touch is available to everyone. Sometimes it takes the form of physical cures, and sometimes it takes the form of suffering and even DEATH. Whatever GOD chooses it is for the greater good of all.

Paul conducts his Healing Mission in approximately 30 churches a year, along with being the director of the Center for Peace. He also publishes a monthly newsletter that reaches thousands of people all over the world. He has had his own Catholic T.V. program which had many noted Catholics on. He has a series of tapes which includes the one tape that started his ministry ... THE HEALING ROSARY. With his busy schedule he has written a book about healing called ... THE MYSTERY OF HEALING. This book details his life in the healing ministry along with his own personal story of how it all began.

Paul sees it as an honor to be at our parish to conduct his Healing Mission, which will include the ROSARY and the STATIONS OF THE CROSS. Paul will offer his healing efforts to all who see it. So if you are in need of a HEALING, be it Mental, Emotional, Physical or Spiritual, you may want to consider coming to this Healing Mission, and maybe bring a friend.

A SPECIAL HEALING MISSION will be conducted, by Paul, February 19th, 20th, 21st, 2018, at Sacred Heart Church. All 3 evenings will begin at 7:00 p.m., and the thrust of these services will be FORGIVENESS and HEALING.

PRO-LIFE CORNER—

There's a saying that "My right to swing my fist ends where your nose begins." That adage applies to abortion: your right to do what you choose with or to your body ends where the body of your child begins.

Even if it were true that there can be no restrictions on a woman's right to do what she wishes with her body, the fetus is NOT the woman's body. The fetus is a new and distinct human being, with his or her own set of DNA from the moment of fertilization. The heart (which begins beating less than three weeks after fertilization) that's stopped by an abortion is not the mother's heart. The brain waves that can be detected just weeks after conception are not from the mother's brain.

A woman isn't warned about the dangers of drinking alcohol, smoking, and riding roller coasters while pregnant because these activities pose a danger to the tiny human being residing within her.
