From the Desk of Msgr. John

I spent one week in Ireland. It was a wonderful and relaxing experience. A highlight of the trip was a visit to Our Lady of Knock Shrine. It was in 1879 that the Blessed Virgin Mary appeared to a small group of people in the village of Knock.

I concelebrated Mass with several other priests with about 3,000 people present. It was the feast of the Queenship of Mary.

Thank you to all of those who have volunteered to help with our Religious Education Program. We have all our positions filled; however, if anyone wants to help anywhere, please call Cindy Svetlik.

Please pray for the blessing of beneficial rainfall!

Heavenly Father, we believe that it is You Who created our world with all of its beauty and life.

We believe that it is You Who put into place the systems of nature that sustain, nurture and renew this work of Your hands.

We believe that it is You Who hears Your children when they call upon You. Hear then, this prayer which comes from a heart filled with confidence and trust.

Grant to us and to all who seek it, the gift of a bountiful rain.

Water our lands so that they may once again spring to life and reflect the beauty of Your creation.

Fill our lakes and rivers with sufficient rain so that they may continue to provide life giving and refreshing water to all who depend upon it for their livelihood and well-being.

Please do not let many more days pass without sending us this most needed blessing of rain.

We ask this in the name of Jesus, Your Son Who lives and reigns with You and the Holy Spirit, one God forever.

Amen.
